Message from the President :

Namaste...

It is with immense privilege and honor that I extend a warm welcome to each of you on our campus as the President of Sangola Taluka Shetkari Shikshan Prasarak Mandal Sangola. Founded in 1969 by the esteemed late Dr. Ganpatraoji Deshmukh, 'Sangola Taluka Shetkari Shikshan Prasarak Mandal Sangola' was created with the primary objective of integrating various underprivileged sections of society into the educational framework and fostering comprehensive development. I extend my greetings and commend you for selecting our educational institution for your higher studies. I am confident that your educational pursuits will significantly contribute to the advancement of our nation. It is a source of great pride for me to serve as the President of this esteemed educational establishment. I wish you all the best in your future academic endeavors.

Thank you.

Acting Principal

Dr. Dhasade S.S.
M.Sc., Ph.D.

Message from the Principal :

Dear Students, Parents, and Well-Wishers,

It gives me immense pleasure to welcome you to Dr. Ganpatrao Deshmukh Mahavidyalaya, Sangola, an institution committed to providing quality education and holistic development to students, particularly those from rural and economically weaker sections of society. Our institution firmly believes that education is the most powerful instrument for social transformation and national development. The college emphasizes the promotion of human rights, human values, cultural heritage, scientific temper, environmental awareness, and community engagement. We encourage our students to cultivate critical thinking, creativity, discipline, and a spirit of service, enabling them to face the challenges of a rapidly changing world with confidence and integrity. I invite all aspiring students to become a part of this vibrant academic community and take advantage of the opportunities available for intellectual, personal, and professional growth. Together, let us work towards building a knowledgeable, progressive, and inclusive society. I wish all our students a bright and successful future.

Thank you

ABOUT THE INSTITUTION

The institute is established on May 15, 1969, the Sangola Taluka Shetkari Shikshan Prasarak Mandal, Sangola, is dedicated to delivering quality education in remote drought rural areas (right to education) to the socially and economically disadvantaged and weaker segments of society, aiming for the comprehensive development and advancement of the underprivileged area of Sangola Tahasil. Since its inception, the institution has operated a unit known as New English School and Junior College Sangola, which encompasses a technical department and professional courses. To meet the higher educational needs of the community, the institute established a science college named Vidnyan Mahavidyalaya on September 23, 1991 and now it is Dr. Ganpatrao Deshmukh Mahavidyalaya. In addition to the science stream, the college has introduced programs such as Bachelor of Arts (B.A.), B.Sc. (E.C.S.) Entire Computer Science, and Bachelor of Computer Application (B.C.A.) and B. Com. Furthermore, the institute has launched postgraduate programs including M.A. in English and History, and M. Sc. in Computer Science and Chemistry. Since its founding, the college has made significant strides in the educational sector and has emerged as a vital academic and research hub in the Sangola Taluka region. In its fourth cycle, the college received reaccredited by NAAC Bangalore with a grade of 'B++ (CGPA-2.94)' in September 2024. The institution has been instrumental in fostering the intellectual and academic growth of students through its various departments within the Arts and Science faculties. The college prioritizes the academic advancement of its students, not only providing quality education but also inspiring and encouraging them to engage in cultural activities and sports. It boasts a spacious playground and is conveniently located near the railway station and bus stand.

Mentor Book

The College has developed mentoring system for the students to check their progress and to guide them. Total number of students of the college are distributed among all teacher faculty wise. The teachers work as mentor for the allotted students and guide them.

Teachers are mentors and students are mentees; students should take one 'Mentor Book' for each course from the stationery department. They should fill up all the information and their semester wise marks in it and should take signatures of their mentors/teachers year wise. The list of mentors-mentees will be displayed on the notice board of the college and will be given on the college website. It is necessary for students to see the list, note down their mentors, take the help and guidance from them and should take the signs of their mentor on their mentor book. Finally, after completing final year, it is essential for student, to submit their mentor book to the college.

Important Instructions about syllabus

The detail information about subjects, papers, prescribed texts, system of marks, rules of passing, examinations, practical's, tutorials, internal evaluation methods etc are available in the respective departments, departmental blog and university website.

For first year students, a compulsory practical examination of Physical education for 10 marks. Prof. V. M. Pawar, Director of Phy. Edu., will give information about the same.

Library

The library has a total of 24126 reference books and text books. Students are provided with OPAC, internet facilities. Also, e-granthalaya software is being used in the library. Through this software, all the books in the library are being exchanged between students and teachers through barcode scanner. English and Marathi magazines and journals are available in the library. Also, N-List, NDL facility is available to the students and teachers to view these journal e-books. The QR codes of syllabus of all classes, all old question papers, N-list and NDL have been made available to the students, and six Marathi and English newspapers are available in the library.

Laboratory

In our college, there are well settled and well-equipped laboratories along with IT infrastructure for each department. Department of English has its own language lab with 16 computers.

Sports Department

The college has large and big playground. There is facility of various sports. Necessary instruments are available for sports. Special guidance is given to students to take part in sports and they inspired to achieve great distinction in it. Our concerned teachers are always ready to work for it. A college is providing tracksuit to all national and university team players.

National Service Scheme (NSS)

The National Service Scheme (NSS) is a central sector public service program in India, managed by the Ministry of Youth Affairs and Sports. Its primary objective is to develop the civic responsibility and personality of student youth through community service. We have intake capacity of 200 students.

National Cadet Corps (NCC)

NCC is a youth wing of the Indian Armed Forces, headquartered in New Delhi. It is a voluntary, tri-services organization comprising the Army, Navy, and Air Force, designed to groom school and college students into disciplined, patriotic citizens. The motto of NCC is "Unity & Discipline". We have intake capacity of 50 cadets. This unit is affiliated to 38 Maharashtra Battalion, NCC, Solapur. Dr. J. V. Thombare is working as CTO of NCC unit.

Various Committees

To give the chance and to develop the potentialities of students, there are various committees working in the college such as Cultural committee, Vidyan Mandal, Research and Development cell, Incubation Center, Literary Association etc. Besides this, according to university rule, our college has established Sexual Harassment Prevention Committee. Dr. Mrs. Gaikwad S. A. is working as a coordinator of this committee.

Caution Money

Students' caution money will be combined into the college fund if they don't collect amount within six months of graduating.

Other Facilities

- 1) Common Room facility for female students is available in the campus.
- 2) For indoor games and other gym practices best instruments and gymkhana facility is available in campus as well open gym facility available at Women hostel.
- 3) Cafeteria with minimum charges and enough but good quality foods are provided in premises.
- 4) For cultural and other important festivals, we have two cultural program stages.
- 5) Placement cell, Career counselling cell, nature club, Vivek Vahini, etc various committees and clubs are providing a different channel for overall development.

Study Tours & Industry Visits

Study tours and industry visits are experiential learning programs bridging the gap between theoretical classroom concepts and real-world corporate, manufacturing, and cultural environments. As far as NEP 2020 is concern, every department is arranging study tours and industry visits at various places and industries for interactions with experts.

Request to Parents

Students, teachers and parents are the three pillars of the educational system. Parents of the student must be alert and conscious about the study, regularity and behaviour of their wards. Besides giving education, the college always tries to develop the all- round personality of students and their behaviour. To give success to the efforts of the college, parents can help it by taking into consideration following guidelines: -

- 1) Parents must be alert about the regular attendance of their wards in the college.
- 2) The college arranges home works, tests, and terminal examinations in each term. Besides this, various programmes and activities are arranged in the college from time to time. It is the duty of the parents to see whether their sons and daughters remain present or not in the college for the above activities.
- 3) If parents have any doubts, problems, they can contact to Principal or teachers directly.
