**Mentor Book :-**

The College has developed mentoring system for the students to check their progress and to guide them. Total numbers of students of the college are distributed among all teacher facultiwise. The teachers work as mentor for the allotted students and guide them.

Teachers are mentors and students are mentees, students should take one 'Mentor Book' for each course from the stationery department. They should fill up all the information and their semester wise marks in it and should take signatures of their mentors / teachers yearwise. The list of mentors-mentees will be displayed on the notice board of the college and will be given on the college website. It is necessary for students to see the list,, note down their mentors, take the help and guidance from them and should take the signs of their mentor on their mentor book. Finally, after completing final year, it is essential for students, to submit their mentor book to the college.

✍✍✍✍✍

### Important Instructions about syllabi

The detail information about subjects, papers, prescribed texts, system of marks, rules of passing, examinations, practical, tutorials, internal evaluation method, etc. are available in the office. Students are advised to contact to their teachers for this information.

There is University examination of physical education of 10 marks for B.A.I and B.Sc. I. The Director of physical education will give information about it to the students.

### Library

Our college has spacious and rich library with various valuable, rare, old and new 23,121 books. Students are given these books two times in a week, according to the demand. Besides this, for the extra-reading of the students, the newspapers, journals, magazines and reference books are also available in the library. The college has a book-bank scheme for needy meritorious students. Special concessions are given to the poor and brilliant students. There is the facility of separate reading-room for boys and girls.

### Laboratory

In our college there are well-settled and well equipped laboratories for each department in Science faculty. There is facility of computer education for the students of Physics, Botany, Zoology, Chemistry, Computer Science, Mathematics, Statistics, Marathi, Hindi, History Geography, Economics, Political Science. English Department has its own language laboratory with 16 Computers.

### Sports Department

The college has large and big play-ground. There is facility of various sports and necessary instruments are available for it. Special guidance is given to students to take part in sports and they are inspired to achieve great distinction in it. Our concerned teachers are always ready to work for it.

**National Service Scheme (N.S.S.)**

According to the university scheme, to develop an interest in social work, there is the facility of National Service Scheme (N.S.S.) in our college. The capacity of N.S.S. unit is 200 students.

**National Cadet Corps (N.C.C.)**

From the academic year 2006-07, our college has started the sub-unit of 50 cadets of 38 Maharashtra Batalian N.C.C. Solapur by keeping in mind the objectives of creating national unity, personality development and discipline among the students. Lt. Prof. Thombare J.V. is working as the chief of N.C.C. Unit in college.

**Various Committees**

To give the chance and to develop the potentialities of students, there are various committees working in the college such as Cultural Committee, Science Board, Literary Association, etc. Besides this, according to the University rule, our college has established Sexual Harassment Prevention Committee. Prof. Mrs. Gaikwad S.A. is working as a co-ordinator of this committee.

**Caution Money**

Student must take back the rupees of his/her caution money before six months after leaving the college, otherwise it will be emerged into the college fund.

## Request to Parents

Students, teachers and parents are the three pillars of the educational system. Parents of the student must be alert and conscious about the study, regularity and behaviour of their wards. Besides giving education, the college always tries to develop the all-round personality of students and their behaviour. To give success to the efforts of the college, parents can help it by taking into consideration following guidelines: -

- 1) Parents must be alert about the regular attendance of their wards in the college.
- 2) The college arranges home works, tests, and terminal examinations in each term. Besides this, various programmes and activities are arranged in the college from time to time. It is the duty of the parents to see whether their sons and daughters remain present or not in the college for the above activities.
- 3) If parents have any doubts, problems, they can contact to principal or teachers directly.
